Lee,

Per you request, attached are our proposed draft revisions (by topic) to the 2008 Mitigation Rule document to discuss with with Ryan Fisher next Tuesday. John Goodin has reviewed this document.

The Topical revisions are organized into the following four categories.

1. *Supporting multi-purpose mitigation banks (i.e., joint banks) and other compensation projects*
2. *Facilitating state assumption of the 404 program*
3. *Increasing access to mitigation bank and ILF credits*
4. *Improving transparency in ILF programs*

Please let me know if you have any questions.
